Going and Coming of Wheeling People and Visitors.

People and Visitors.

Harry Vankeuren arrived in the city yesterday afternoon from St. Paul, on a visit to his brother, Charles E. Van-Keuren. He was greeted warmly by many friends. Although he has just returned from the Philippines, where he saw service against both the Spaniards and insurgents as a member of the Thirteenth Minnesota Volunteers, he Tlooks very well indeed, but says he has brought back as a souvenir a very obstinate cold. He may go into business here, though he had been considering a flattering offer in Minnesota.

Goes Frank Summers, Who Slashed an Aetnaville Man

IN A SATURDAY NIGHT FIGHT.

The Fellow was Hiding in the House of a Friend in East Wheeling, Where he was Captured by Lientenant Michaels-He Returned to Bridgeport Last Night Without the Formality of Requisition Papers.

Yesterday, the Wheeling police de-partment was notified that a colored man had cut a white man Saturday night at Aetnaville, so dangerously that he would likely die in a few hours, and asking that he be placed under arrest, the Bridgeport police having in-formation that the man had crossed the river to this city. Lieutenant Eddie Michaels was placed on the case, and in the afternoon he made a thorough search of the Second ward, but with-out success. He learned, however, that the fellow, whose name is Frank Summers, had gone to the home of friends in the East End. The lieutenant pro-ceeded to the house named, and found Summers in bed on the second floor. He made no resistance and was taken to police headquarters, and later was taken to Bridgeport lock-up by officers from that town, Summers not insisting on a requisition.

Last night it was learned that the man whom Summers cut was not so dangerously injured as at first report-ed. It is said he will undoubtedly recover. There are two stories as to the causes that led to the trouble, which occurred Saturday night in Thomas Jones' store in Actnaville. One was that Summers had assaulted the man, whose name is Ross Porter, without provocation, had chased him behind the counter and cut him several times, once quite severely in the abdomen. other story is that Porter was the ag-gressor, and that Summers only acted in self defense.

Strike Declared Off.

Special Dispatch to the Intelligencer. CHARLESTON, W. Va., Oct. 29.— The strike in the New river district, which was instituted about six weeks ago for an increase of five cents a ton for mining, has been officially declared off. Advances were granted at only thirteen out of the forty-five or more mines. Nearly all the works have been mines. Nearly all the works have been working spasmodically during the strike, but the resumption now becomes general. The difficulty that the operators will now encounter is from the scarcity of miners, many of whom left during the strike for the west, where so many West Virginia miners have gone recently. It is not thought that the district will be fully at work again before January. The companies which granted the advance of five cents demanded are the Sugar Creek, Turkey Knob, Dun Loup, Sun, Star, Harvey coal and coke companies, and the Collins Coiliery Company, on Loup creek, and the Thurmond, Rush Run, Red Ash, Boone and Fayette coal and coke companies on New river proper.
